- Timothy Wyand - Bad Storms, Heavy Weather

- Alan Sorum - EPIRBS

- Jim Coburn - Financing

Coles states there's a lot to know when buying a boat or being out on the open water. It's important to find the right boat for you, get proper financing, keep up with technology, learn how to handle yourself should you get caught in a bad storm, as well as search and rescues.

Coles says she has other speakers who have shown interest, and hopes to confirm a few more speakers over the next week. In the meantime, if you are interested in being part of TNL's Expert Speaker Series, let her know.

The Nautical Lifestyle.com is more than a mere website, it is a community of boaters sharing their passion for and knowledge of boating.
